

Brentwood Veterinary Center

2801 Ward Blvd. Suite 6B Wilson, NC 27893

Pre-operative Instructions:

- Do not feed your pet any food after **8pm the evening prior to surgery.**
- Water can be freely available overnight until first thing in the morning when you should remove the water bowl.
- **Please arrive at Brentwood Veterinary Center between 7:30am-8:00am.** Please check in with our receptionists as you will be asked to fill out a surgery consent form. This can be accessed on our website if you wish to fill it out ahead of time brentwoodvetcenter.com
- We require that you abide by NC State Law and have a current rabies vaccination for your pet. If your pet does not have a rabies vaccine, we will administer it at the time of surgery. If your pet does have a rabies vaccine, please bring proof in the form of a certificate.
- After your pet comes out of surgery and is in recovery, the surgeon will call and give you update on how the surgery went as well as how your pet is doing.
- **Your pet will be released the same day as surgery any time after 4:30pm.** Discharge may take approximately 10 minutes. You may request to speak with the surgeon if you have any further questions. Post-op instructions will be given promptly at the scheduled discharge times.

Thank you for choosing Brentwood Veterinary Center for all your veterinary needs
